

Industry Leading Warranty Rate

Our unsurpassed quality allows us to achieve the lowest warranty claims rate versus other remanufacturers and OEM's

Industry Experts

We have expertise in the compressor remanufacturing industry stretching back to 1938

24-Hour Turnaround

We keep a large inventory of remanufactured units in stock to allow for same day shipping of most models

Custom Builds

Custom compressor builds can be completed within 3 business days

Parts & Accessories

In addition to remanufactured compressors, we also carry compressor parts and accessories for your every need

We remanufacture HVAC & Refrigeration semi-hermetic compressors in the 5 - 160 horsepower range.
